Inside, the space flows beautifully with a main dining area, seated lounge, and private washrooms—crafted for both comfort and sophistication. Multiple flat-screen high-definition TVs, a fully integrated AV system, and automated lighting, drapery, and in-suite audio ensure seamless presentations and immersive event moments.

In the warmer months, the outdoor space comes alive—perfect for stylish open-air cocktails, executive barbecues, and vibrant spring, summer, or fall gatherings under the city sky.

THE SPACE THAT ADAPTS TO YOU

The event space combines form and function with a striking open kitchen, modern appliances, design-forward lighting, and a long marble island—ideal for guests to gather around for relaxed networking and meaningful connections.

An adjoining executive suite offers privacy and a polished setting for senior executive meetings or elevated hosting. After all, time is our most valuable resource—every minute should be reserved for what truly matters.
